

## Inspire Confidence Summary

---

Inspire Confidence with others to show you are a supporting and trusting partner with them and their success.

Guidelines
<ul style="list-style-type: none"><li>• Focus on the person's strengths by pointing out what strength they have and how they have used it to be successful in the past so they may apply it to a present or future situation.</li><li>• Celebrate small successes along the way.</li><li>• Encourage a growth mindset by gently reminding the person that learning takes place throughout our entire lives. Encourage risk taking and stretching for learning and growth.</li><li>• "I believe in you."</li></ul>
